

Commemorative Naming Opportunities Inspira Health Network Facilities

Updated October 17, 2012

Donors to the Inspira Health network are investing in the future of health care in our community. Commemorative opportunities offer a donor the chance to become a part of the history and next generation of this great institution.

To commemorate gifts and honor donors, Inspira offers naming opportunities for financial commitments of \$5,000 or more.

The naming of facilities, programs and rooms is available to all donors. Appropriate recognition may include specially designed plaques and dedication ceremonies, showing donor names and, in many cases, tributes and inscriptions honoring loved ones or marking the occasion. Payment period is thirty-six months or less.
